SPEAKER PROFILE

SAJIT S PILLAI is the only motivational speaker in India to have a vast experience of Business & Spiritual Life. He speaks with authority: his own life having veered perilously away from comfortable norms at times. He has learned - the hard way - that positive results can come from negative experiences, and that we often learn best from situations which are unfamiliar and even uncomfortable.

As one of the youngest CEO of a manufacturing company Universal Engineers in the City of Ahmedabad, India, Sajit knows business as well as he knows life and more importantly he knows what it takes to lead a successful business! Unlike other motivational speakers or consultants, he has the ability to translate- with electrifying effect - that hands on experience into a coherent, compelling and exciting philosophy, which has made him one of India's leading key note speakers and a powerful professional one-to-one coach to some of the world's leading business executives.

Today he conducts more than 50 motivational seminars and corporate speaking engagements a year for an enormous variety of companies and organizations in India. When he isn't travelling Sajit lives with his wife and one daughter in Ahmadabad.

Sajit being a Kriya Yogi , a Spiritual Healer and a counselor , he is an accomplished author with many successful self-help articles, blogs, and videos to his credit on wide topics of life & spirituality . His videos are setting a new standard for self-help guide and mediation, which actually works & are literally transforming lives all around the world.

He teaches children of St. Xaviers Schools, spirituality and meditation, to give value addition, insights, transforming the young youth into better generation, totally free of cost.

Sajit has a unique ability to translate serious and powerful messages into incredibly entertaining and empowering experiences for audiences of every description.
